Start of Block: Consent Form

Consent_Description Thank you for agreeing to participate in this study. We are researchers investigating people's conception of what it means to have "good taste".

Procedure: In this study, you will be asked to answer several questions about your conception of "good" and "bad" taste. Your participation in this research will last around 19 minutes. Most questions are open-ended, meaning that you need to type your answers. **Please, answer these questions carefully. Useless answers will lead to your HIT to be rejected.**

Compensation: Your participation in this research will be paid GBP 2.38

Data protection: Participants' anonymity will be respected throughout data collection and analysis. Your Amazon Mechanical Turk or Prolific Academic ID number will be used only to secure payment for your participation, and will not feature in the files we use for data analysis. Data will be stored at University of Geneva (Faculté des Lettres) for 5 years, under the custody of Prof. Florian Cova.

You are free to leave the study at any moment, but understand that we will pay you only if you complete the study. Information about research results: If you want to be informed of the results of our studies, please send a mail to: florian.cova@gmail.com.

Note that no information will be provided about individual results, and that only general results will be communicated. Research supervision: This research is supervised by Prof. Dr. David Sander, Section de Psychologie, FPSE, 40, Bld du Pont d'Arve, 1205 Genève (david.sander@unige.ch)

Contact person: For information about this research, please contact Dr Florian Cova, Swiss Center for Affective Sciences, Campus Biotech, 9 Chemin des Mines, CH - 1202 Geneva (Florian.Cova@unige.ch)

Consent_Q1 On the basis of the information you just received, and provided that your anonymity will be respected:
